Quality Policy Statement

RE:Group (UK) Ltd recognises the promotion of a first class service to our customers to be of primary importance. In our Company the experience, attitude and skill of our staff are our main assets and these three key elements are essential to the continuing success of our business. It is our aim to constantly improve the quality of our service by setting, monitoring and reviewing our objectives. This will enhance customer satisfaction and help the company to continually make improvements to our systems and products.

Our Documented Management System, which complies with the requirements of the International Management Standard ISO 9001: 2008 and other applicable legislation, ensures that customer expectations are constantly fulfilled.

The Company will ensure that staff are familiar with and understand the procedures in the Quality System relevant to their own work and comply with the requirements of these processes.

By adherence to our Quality Management System we will be able to take a factual approach to decision-making and the setting of our objectives for the mutual benefit of all parties.
